

Herbalizer Model-HA Limited Edition

Technical Data and Specifications

NASA know-how takes vaporization to new heights with precise, immediate heat. Now, regulate extraction levels, and control the intensity of your experience—from uplifting to intense—instantly, through incremental temperature settings. Clean halogen technology married to sleek, luxury aesthetics, the **Herbalizer** is a totally different vaporization experience.

- **Superior Vapor Quality**, through precise, consistent temperature control
- **Versatile**, offering multiple delivery methods and modes of operation
- **Pure and Safe**, using clean halogen energy and medical-grade material

Perfect Vapor Quality

Lots of people talk about perfect vapor quality, but the **Herbalizer** defines it. We're the first to take the guesswork out of your experience, with precise, incremental temperature adjustments—hotter or cooler, light to intense—for consistent density and repeatable effects from all your herbal remedies.

Herbalizer Model-HA Limited Edition

Technical Data and Specifications

Product Specifications

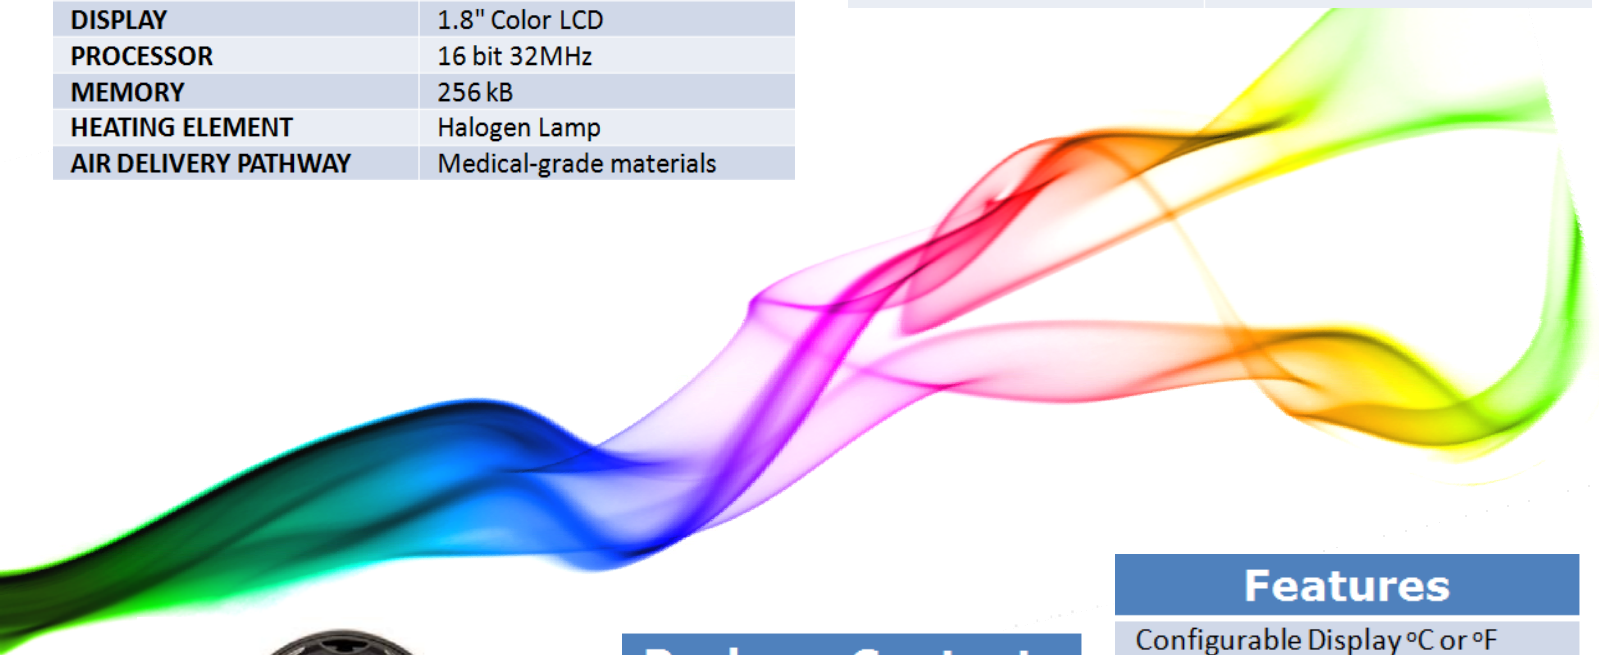

OUTER DIMENSIONS	8.5" (L) x 6.7" (W) x 3.5" (H)
WEIGHT	2.4 lbs (1.1 kg)
COLOR	Liquid Silver
CORD LENGTH	8 ft detachable 2-wire
POWER INPUT	115VAC 60 Hz (230VAC opt.)
POWER CONSUMPTION	300 W (max.), 20 W (typ.)
OPERATING TEMPERATURE	50 to 104°F (10 to 40°C)
STORAGE TEMPERATURE	32 to 125°F (0 to 52°C)
HUMIDITY RANGE	30 to 85% RH
TEMPERATURE UNITS	Fahrenheit or Centigrade
DISPLAY	1.8" Color LCD
PROCESSOR	16 bit 32MHz
MEMORY	256 kB
HEATING ELEMENT	Halogen Lamp
AIR DELIVERY PATHWAY	Medical-grade materials

Performance Specifications

OUTPUT TEMPERATURE	290≤T≤445°F (143≤T≤229°C)
TEMPERATURE STABILITY	+/- 5°F (+/- 3°C)
AIRFLOW RATE W/ FAN	0.32 cfm (9 litre/min)
HEAT-UP (TYP.)	17 seconds
COOL-DOWN TIME (TYP.)	37 seconds

Applications

VAPORTHERAPY™	Whip, Balloon, Freestyle
AROMATHERAPY	1 to 60 minutes

Package Contents

Magnetic bowl
Essential Oil Blend 2ml
Aromapads x2
Spare screens x2
SqueezeValve™ balloons x4
8ft power cord
Stash box
Vaporthery™ herbal blend
Cleaning brush
3ft silicone whip
Herb grinder card
Quickstart guide

Features

Configurable Display °C or °F
Optional Assisted Delivery
Over Temperature Shutoff
Auto Shutoff w/ Sleep Function
Tip Over Auto Shutoff
Magnetic Bowl
CoolGrips™ Insulated Bowl
Mezzanine Storage
SqueezeValve™ Balloon System
2-year Limited Warranty
5-year Quality Guarantee
Made in the USA
High Reliability product, designed by two former NASA engineers
